PROFIT WARNING

This announcement is made by Century Sage Scientific Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) of Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on a review of the Group’s unaudited consolidated management accounts for the six months ended 30 June 2018, the Group is expected to record a net loss of not less than RMB5.0 million for the six months ended 30 June 2018 as compared to a net profit of approximately RMB15.5 million for the six months ended 30 June 2017. The loss was mainly attributable to the decrease of not less than 30% in revenue as a result of the downturn trend of the overall market environment and the fact that some all-media projects adopting new technologies were still under development and evaluation.

The information contained in this announcement is only based on a preliminary assessment by the Board on the Group’s draft unaudited consolidated management accounts for the six months ended 30 June 2018, which are subject to adjustments and finalisation and have not been reviewed or audited by the Company’s auditors.

The Company is in the process of finalising the interim results of the Group for the six months ended 30 June 2018. The Shareholders and potential investors should refer to the interim results announcement of the Company for the six months ended 30 June 2018, which is expected to be published in late August 2018, for details of the performance of the Group.

Potential investors and the Shareholders are advised to exercise caution when dealing in securities of the Company.
